

Project number: 80063071.01

09 October 2024

Hello,

**Vyrnwy Aqueduct Modernisation Programme – Starting work on our final pipeline in your area**

Thank you for your continued patience as we've been completing work in your community. We're getting in touch to let you know that we're due to start work on the final pipeline of the Vyrnwy aqueduct system in your area.

We've arranged a community drop-in session at Peckforton & Beeston Village Hall where our project team will be happy to provide further details and answer any queries you may have.

**It would be great to see you at Peckforton & Beeston Village Hall, Hill Lane, Peckforton, CW6 9UH on Tuesday, 29 October between 2:00pm and 4:00pm**

**Our next stage of work**

From 14 October 2024, we'll begin transporting new pipes, preparing working areas, and starting the final section of lining work between Stone House Lane and Moss Lane (AP1027 through to AP1037). We expect this work will take around 18 weeks to complete and more information on the location of these working areas can be found on the reverse of this letter.

Once the new pipe is installed, there will be no further lining work activity as our teams begin to remove all equipment and prepare reinstatement of the land. We'll write to you again in advance of the reinstatement work to provide further information.

**How this work may affect you**

- Our working hours will be between 8am and 6pm Monday to Friday.
- We may require additional lighting as we approach darker evenings. We'll make sure this is directed away from residential properties.
- At times we may require weekend work, which would be between 8am and 5pm on Saturday's and between 9am and 4pm on Sunday's.

We understand this type of work can be inconvenient. Our team will work closely with those who may be impacted and we will do all that we can to minimise disruption. Don't worry, your water and wastewater services will not be affected and can be used as normal.

## Keeping in touch with us

If you're unable to make it to the village hall drop-in session and have any questions, you can always call us on **0345 672 3723** quoting project number 80063071.01, contact us via our social media channels or complete the feedback form on our virtual exhibition site [uuhub.co.uk/vyrnwy](http://uuhub.co.uk/vyrnwy) which can also be accessed via this QR code.

Thank you,  
Customer Services Team
